MEMORANDUM THRU U.S. Army Installation Management Command, ATTN:
(IMWE-PAO)

FOR Office of the Chief of Public Affairs, Washington, DC 20310-1500

SUBJECT: Nomination of the Fort Campbell Community Relations Office Community Outreach Program for the MG Keith L. Ware Community Relations Award.

1. I highly recommend the Fort Campbell Community Relations Office for the MG Keith L. Ware Department of the Army Community Relations Award for Special Event.
2. The Fort Campbell Community Relations Office Outreach Program is an extremely professional and well-organized entity within the Fort Campbell Public Affairs Office. It is a highly visible element of Fort Campbell as an installation, its 101st Soldiers and the surrounding city and government communities encompassing two states.
3. The program is designed to bridge the gap between the surrounding community and Fort Campbell and is the catalyst in a symbiotic relationship among the members. Evidenced by numerous successful campaigns and programs, this bridging has excelled above and beyond goals and expectations time and time again. The outreach program staff has bonded together as a strong, dedicated team with forward thinking ideas, goals, projections and plans. This unwavering team's "go to" attitude has placed them on steady ground in regards to the post commander's intent of the outreach and community relations program.
